

## THE PERILS OF THE DEEP

A Vessel Wrecked Off the Virginia Coast and a Number of Men Drowned.

Five Sailors Lashed to the Rigging and Slowly Washed to Their Death.

Three Unfortunates, While Playing Cards Under a Car, Instantly Killed - Buried in the Ruins.

NOBOLK, Va., Oct. 28.—The schooner George T. Simmons, of Camden, N. J., was wrecked off False Cape in a storm last Wednesday night. When the vessel was first seen sunk in the breakers by the life-saving crew, Thursday morning, five men were lashed in the rigging. One by one the doomed men were swept away into the sea. Last night two men were left, and at sunset this evening only one remained; and undoubtedly he will share the fate of his shipmates before morning. The life-saving crews have watched for an opportunity to go to the rescue, but the surf has run too high for a boat to make an attempt at relief.

A large three-masted schooner, flying a flag of distress, inshore eight miles outside Oregon inlet. Assistance will be sent from here. The schooner Lizzie Haynes, lumber laden, from Savannah to Baltimore, has been wrecked on Bodies Island. The captain and steward were saved, but five men were drowned. The vessel is a total loss, and her cargo is washing on the beach. The schooner A. E. Blackman rolled over 300 miles at sea. Captain Charles Edwards, by the aid of a cork jacket, swam to New inlet and was saved. The remainder of the crew were lost.

**Killed While Playing Cards.**  
IRWIN, Pa., Oct. 28.—Thomas and James Thompson, Robert Robinson, Samuel Hemming and Benjamin Stubbs were sitting under a car playing cards yesterday at 6 o'clock, when the engine pushed a train of cars back on the siding, moving the car they were under, instantly killing Robinson, Hemming and Thomas Thompson. James Thompson had his back broken and died while being removed to his home. Stubbs escaped.

**Buried in the Ruins.**  
SELMA, Ala., Oct. 28.—A contractor named Taylor and four colored men were buried in the ruins of a burned building this morning. One man is not expected to live and the others are dangerously injured.

**A ROYAL WEDDING.**  
Marriage of a Princess of Prussia and the Crown Prince of Greece.

ATHENS, Oct. 28.—The marriage of Princess Sophie, of Prussia, and the Duke of Austria, crown prince of Greece, was solemnized yesterday. The wedding procession, headed by a squadron of cavalry, left the palace, the first eight carriages containing the royal families and other representatives of nobility. Then came a gorgeous state carriage containing Queen Olga and the bride, drawn by six black horses covered with silver trappings. On either side of the carriage on horseback were King George, the Duke of Sparta, and his brothers. The whole route was lined with troops, behind whom were packed solid masses of spectators. The greatest enthusiasm was manifested by the populace. The handsome uniform and jeweled orders of the Kaiser and the magnificent diamonds worn by Augusta Victoria attracted universal admiration. The scene in the cathedral was a brilliant one. The center aisle of the church was strewn with roses. The services occupied more than an hour. Prince Victor and George of Wales held golden crowns over the heads of the bride and bridegroom. The wedding party returned by different routes and arrived at the palace at 1 o'clock, when the marriage was again solemnized. The ceremony this time was in accordance with the Lutheran rite and took place in the King's private chapel.

During the ceremony Prince Henry of Prussia and Princes Victor and George of Wales alternately held the bride's coronet, while the czarowitz, Prince Waldemar and Prince George, of Greece, held the coronet of the bridegroom. At 4 p. m. the Duke of Sparta conducted his bride from the royal palace to his own palace, amidst the applause of the populace. The diplomatic body was invited to a gala banquet at the palace.

LONDON, Oct. 28.—The marriage of Prince Hatzfeldt to Clara Huntington, daughter of Collis P. Huntington, of New York, took place today in the Catholic oratory at Brompton. The ceremony was performed by Bishop Emons. The wedding was private, only the relatives and a few friends of the bride and groom being present. The wedding breakfast was served at the German embassy, after which the couple started for Italy.

**A Diamond Broker's Suicide.**  
NEW YORK, Oct. 28.—Henry Horwitz, the diamond broker, suicided by shooting this afternoon.

**Unsurpassed in the World.**  
The vestibuled trains of the Chicago, Milwaukee & St. Paul railway, running daily between St. Paul and Minneapolis and Milwaukee and Chicago, are the perfection of modern railway equipment, and are unsurpassed in the world. They consist of elegant day coaches, Pullman's latest and best sleeping cars and the finest dining cars in the country. These trains are lighted by electricity and heated by steam, and afford to the traveler every comfort and convenience to be had at the very best hotels. All classes of tickets are honored on these trains and the rates are no higher than by other lines. It is for this reason that discriminating travelers patronize this company and insist that their tickets read service for their money.

**The Verdict Unanimous.**  
W. D. Salt, druggist, Bippus, Ind., testifies: "I can recommend Electric Bitters as the very best remedy. Every bottle sold has given relief in every case. One man took six bottles and was cured of rheumatism of ten years' standing." Abraham Hare, druggist, Belleville, Ohio, affirms: "The best selling medicine I have ever handled in my twenty years' experience, is Electric Bitters." Thousands of others have added their testimony, so that the verdict is unanimous that Electric Bitters do cure all diseases of the liver, kidneys or blood. Only half a dollar a bottle at R. S. Hale & Co.'s drug store.

**A Woman's Discovery.**  
"Another wonderful discovery has been made that, too, by a lady in this county.

Disease fastened its clutches upon her and for seven years she withstood its severest tests, but her vital organs were undermined and death seemed imminent. For three months she coughed incessantly and could not sleep. She bought of us a bottle of Dr. King's New Discovery for Consumption and was so much relieved on taking the first dose that she slept all night and with one bottle had been miraculously cured. Her name is Mrs. Luther Lutz. Thus writes W. C. Hamrick & Co. of Shelby, N. C. Get a free trial bottle at R. S. Hale & Co.'s drug store.

**Herculean Strength**  
Continually on the strain, or overtaxed at intervals, is far less desirable than ordinary vigor perpetuated by rational diet and exercise, and abstinence from excess. Professional pugilists and athletes rarely attain old age. As ordinary vigor may be retained by a wise regard for sanitary living, and for the protection against disease which timely and judicious medication affords, so also it may be lost through prolonged sedentary labor, uninterrupted mental strain, and foolish eating and drinking, the chief and most immediate sequence of all four being dyspepsia. For this condition, thus, or in any way induced, and for its offspring, a failure of muscular and nerve power, Hostetter's Stomach Bitters is the prime and most genial of remedies. Not only indigestion, but loss of flesh, appetite and sleep are remedied by it. Incipient malaria and rheumatism are banished, and kidney, bowel and liver complaint removed by it.

**Union Pacific Railway.**
